

# PRODUCT LINE

Your SOURCE for SOLUTIONS to CONVERTING EQUIPMENT CHALLENGES  
from light duty to high production.

VSR-36. High production. 36" duplex center rewind

VSR-III. High Production. Versatile. 24" duplex.  
Score, razor, or shear. Differential rewind. Many options.

VSR-III

VCSR-III. High Production. Versatile. 24" duplex.  
Cantilevered shafts.

VCSR-III

FSR. 24" rewind duplex. Heavy duty.  
Limited version of the VSR III.

CSR18

CSR18. 18" rewind duplex. Versatile.  
Score, razor, or shear.

CSRE18. 18" rewind duplex. Razor, many options.

CSRE18

HSR. 18" rewind. Specially designed for hot knife slitting.

FOAMSR. 48" dia. rewind simplex, score. Special for foams.

FOILSR. 12" rewind. Razor. Tension control. Special for foils.

FOILSR

CSR-II. 12" rewind. Compact and versatile.  
Score, razor, or shear. Productive.

CSR-II

CSRS. 24" rewind simplex. Specially designed for non-wovens.  
Score slitting, lay-on roll option.

CSRE. 12" rewind duplex. Economical workhorse. Razor.

CSRE

CCSR. 12" rewind duplex. Up to 30" wide cantilever.

CCSR

CCSRE. 12" rewind duplex. Economical. Razor. Cantilevered.

CCSRE

EZ-SLITTER. 12" rewind simplex. Economical razor.

EZ-REWINDER

EZ-REWINDER. 12" rewind simplex.

SURFER Surface Rewind Slitter. Ideal for non-wovens

EZ-SLITTER

EZ-SHEETER

EZSHEETER. Versatile line of sheeter, slitter. Score or shear crosscut. Razor, score, or shear slitting. Opt. Stacking.

EZ-PERFORATOR. Versatile line of sheeter, slitter, rewinder.

REW-SLD

REW-SHD. 48" surface rewind. Heavy duty.

REW-SLD. 24" surface rewind. Light duty.

EZ-CORE CUTTER. Economical 2" to 6" dia. No tooling.

EZ-CORE CUTTER
